- 8:30–9:00a SBE Chapter 85 Business Meeting**
- 9:00–9:30a ABIP Inspector**
Join OAB's ABI Inspector **Art Morris, Broadcast Technical Consulting**, as he keeps you in compliance. Art will discuss the latest regulatory issues including the new radio Online Public File requirement, and TV Spectrum Auction/Repack and ATSC 3.0.
- 9:30–10:00a Visit the Vendors**
Our vendors make it possible to have this annual SBE Conference at no charge to the SBE members. Please visit their booths, check out their products, and let them know you appreciate their support.
- 10:00–11:30a Spectrum Repack**
GatesAir **Martyn Horspool** discusses the FCC incentive auction, its ramifications, the schedule for broadcasters, and how to prepare. *Courtesy of Sinclair Broadcasting Group.*
- 10:00–11:30a Nautel Users Group: Tips & Tricks**
Ryan Swinamer with Nautel will discuss Nautel products and how to use them for maximum effectiveness. *Courtesy of iHeart Media.*
- 11:40–12:30p SBE/Exhibitor Luncheon**
- 12:30–1:30p Visit the Vendors**
- 1:30–2:30p Using Small UAVs in Broadcast News and Video Acquisition: Update for 2017**
A lot has happened in the last year. Advances in the law as well as technology make using a drone easier than ever. We'll talk tech, show sample videos, and discuss the legal issues using a small unmanned aerial vehicle in your day-to-day broadcast production and news gathering. As with our 2016 session, **Kent Jones** and **Fred Morton** return to OAB to talk about the players involved, new applications, new FAA laws, getting started, and potential future strategies. We'll finish up with a round table Q&A discussion.
- 2:30–3:00p One for the Road**
Join the exhibitors for a closing reception in the exhibit hall. Enjoy some afternoon refreshments and seal the deal with a vendor!

Please check each event you will attend. We need an accurate headcount.
