HELP YOUR LOCAL BUSINESSES WITH THIS ONCE IN A LIFETIME OPPORTUNITY!

The COVID-19 pandemic has changed household shopping plans for every business in your market. The new reality is that all local businesses face unprecedented uncertainty. They don't know what the next week or a couple of months will bring. To provide answers and help your local businesses, LBS Research did a major COVID-19 impact shopping survey.

The survey results are available to you compliments of Local Broadcast Sales.

HERE IS YOUR TEAM'S 60-DAY SELLING STRATEGY!

Experience practical recommendations on how media sellers can win back more than their fair share of revenue and powerfully equip your team for post COVID selling.

- ▶ In just one month, more than 23,000 consumers in all 50 states responded to the Local Broadcast Sales Research shopping survey.
- ▶ You will be able to access this unique shopping research and quickly create compelling presentations to help local businesses realize shopping opportunity for their business.
- ▶ All LBS attendees will receive current shopping data FREE along with 60-day access to LBS Sales Tools that includes a step-by-step training and certification program.
- ▶ These forty minutes will be invaluable for these vital days ahead.

You and your team won't want to miss this webinar and the unique opportunity that comes with it.
